"Year of The Braves"

COACH TOM CHRISTOPHER

Dedication

THIS YEAR was evidently one of exceptional pride for the Braves. Some will accredit this to the hard working ASB, the number one wrestling team, the new administration, and even the spirited Senior Class. All of these helped, of course, but the most important factor in arousing the Braves' lethargic spirit and pride was a number-one and CIF-ranked football team.

Mr. Thomas Christopher, head varsity football coach, upon coming to Baldwin Park High School, said that it would take him three years to build BP's football squad into a winner. And it did.

"The Year of the Braves" started off with a bang, a clamor, a roar, and a twang as Coach Christopher's three long years of sweat, dedication, and hard work finally paid off with the Varsity Gridders capturing the Montview League Crown and landing a CIF playoff berth for the first time in a decade.

With the outstanding coaching ability of Mr. Christopher and his assistants, and with the bountiful energy, desire to win and stamina, this year's team piled victory after victory as elated fans shouted such chants as "We're number one!," "We can't be beat", "CIF, here we come", and "We are the Braves and couldn't be prouder!"

Through his tremendous achievements he proved to the Braves that they could do it, and helped us to create "NEVER A DULL MOMENT". With this in mind we gratefully dedicate the 1968-69 Sagittar to COACH TOM CHRISTOPHER.

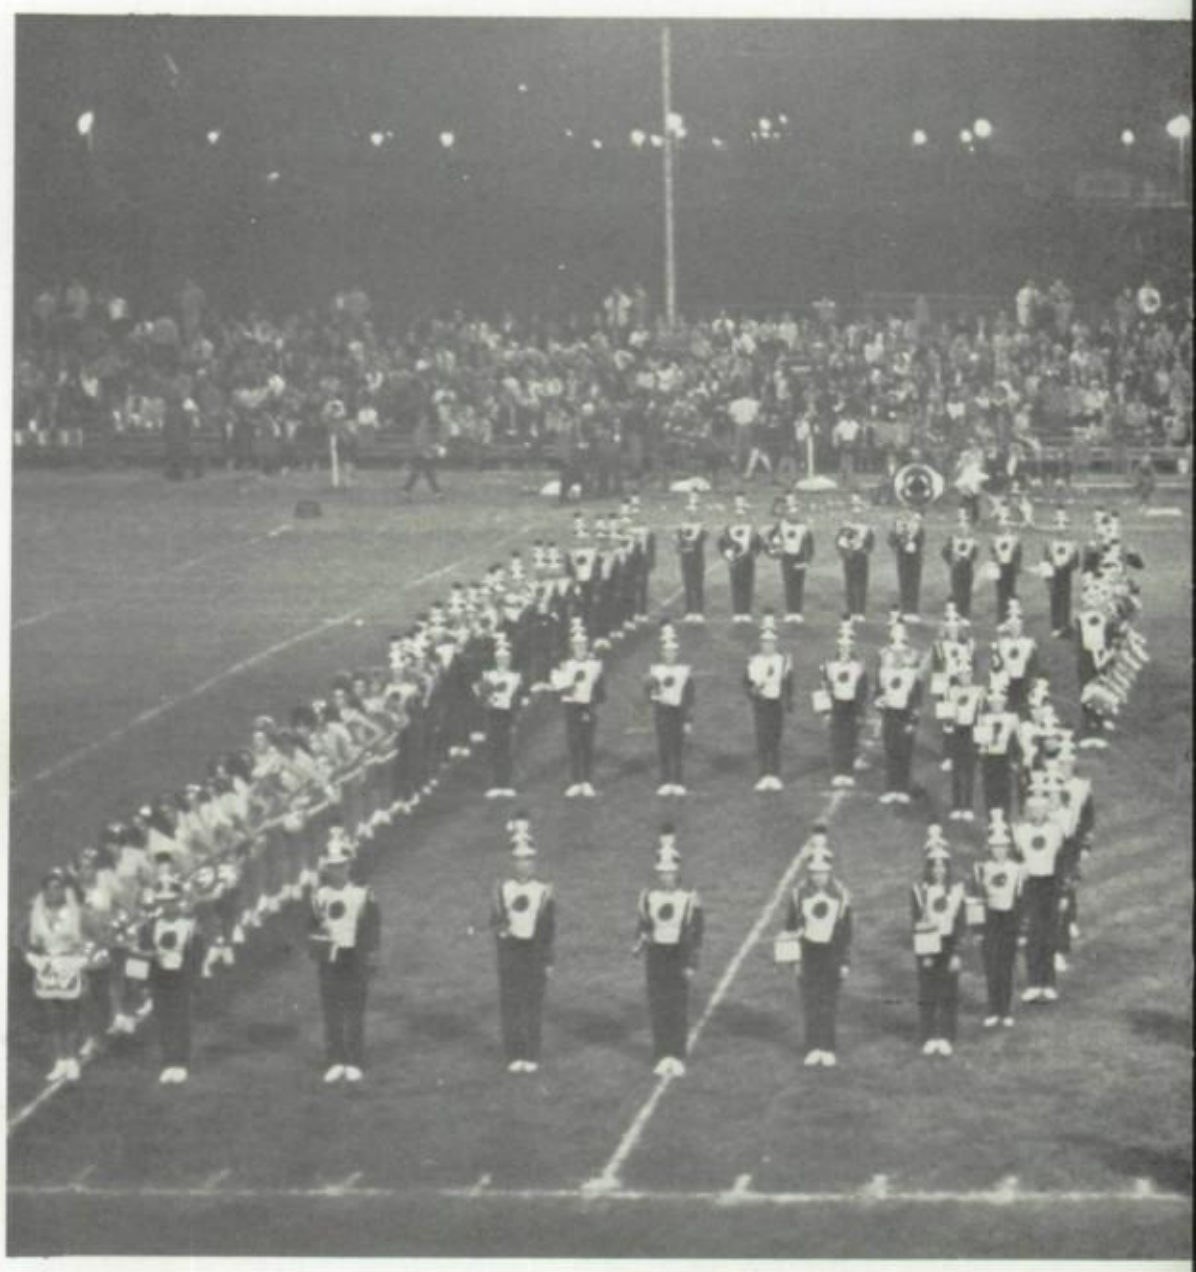
Marching, Music

TRADITIONAL at every football game at Baldwin Park High School is the BP formation.



A FEELING OF UNITY seemed to penetrate the ranks of Baldwin Parks marching units this year. "Good luck," and "Beat Azusa!" could be heard between the Braves Blue Ribbon Band and the Bravettes Drill Team before each parade.

Sweepstakes opened the season for the Bravettes. Even before the school year had begun the drill team marched away with the top prize in the annual Los Angeles Memorial Coliseum High School Drill Team Competition.

During the parade season the Bravettes managed to win many other trophies. The band, plagued by penalty points, was only able to take first runner up at Chaffey's parade.

When the last parade was over, the Bravettes materialized a new idea by forming a precision team with its members selected from the ranks of the Drill Team. The new team provided entertainment and entered competition which Baldwin Park had never before been able to enter.

A skating party given by the band with a special invitation to the drill team ended the year for the marchers. It was indicative of the unity that highlighted the season.

WITH a new director of activities, Mr. James McClung, a class full of enthusiastic government students with a desire to make 1968-69 one for Baldwin Park High School to remember, the Leadership class of BPHS made a big noise in this year of the Braves. They made All Sports spectacular night, chose Esther Valadez to represent BP in the Senate Youth Program contest (which she later won for all of California), and brought the Standells and other name entertainment to play for the Braves. The Leadership Class was proud of Baldwin Park High School, and they worked hard to make 1968-69 a school year with never a dull moment.

A FIERY OUTBURST of school spirit and a fantastic football season gave this year's Pep Club a real reason to cheer as they journeyed in the name of the BRAVES to support their favorite team. In order to sponsor events, the club introduced a unique way to raise money: selling Fire Extinquishers. They lit the fire of BRAVE spirit while supporting fire prevention!

IF I WERE a Charter Oak Lancer, there's something I'd rather be. If I weren't a Charter Oak Lancer a picketer, a go-go dancer, plumber, coffin maker, surfer, drunkard, pizza maker, bird watcher, stripper, or **anything** I'd rather be!

BRAVES we'd rather be ! ! !

Rallies!

ENTERTAINMENT—"It's a robin, it's a sparrow, SPLAT!"—excitement—"The Homecoming Court for 1968-69 is . . . .—and the co-captain pep talks made this year's rallies a surging proof that 1969 was indeed the Year of The Braves. With a winning football team and the spirited Seniors at the top notch on the Brave totem pole, rallies were, for the first time in a long time, a show-ground for the mighty Brave spirit instead of lethargy.

"We've got spirit!" the 1968-69 Pep Squad would begin, and this year, in the year reserved for the fantastic Brave Spirit, the entire student body would join in.

IT'S A ROBIN, it's a sparrow. . . . . .SPLAT!

OOOOOOH, I get to see the ugliest thing in the world ! !

THE DISTRICT HIGH SCHOOLS' ORCHESTRA.

We Had Music, Too.

WITH the combined talents of the most musically inclined boys and girls at B.P., the choral groups have worked hard together to help make the music department give one of it's best showings ever.

One of the most active groups has been the Concert Girls' Glee. Besides performing at such functions as the Community Christmas Concert, the Orange Show, for the Chamber of Commerce, the Spring Concert and the Southern California Vocal Festival, these girls sponsored the Valentine Sock Hop and the Awards Banquet.

Beginning Girls' Glee, and Men's Choirs, which was just newly formed, has added to the success of this year's efforts. Their performances included the Christmas assembly, the Spring Concert and the Orange Show.

The District High Schools Orchestra was made up of 35 students from both Sierra Vista and Baldwin Park High Schools, under the direction of Mr. Rolfe Klemm. Outstanding recitals were given at the Los Angeles County Fair, the Christmas Concert, the SCSBOA Music festival and the Annual Spring Concert. Rick Hess and Ray Alber, freshmen from B.P., were two of 130 top ranking musicians selected to the All Southern California Junior High School Honor Orchestra. The quality of our outstanding Orchestra proves that the best musicians from both rival High Schools can and do work together harmoniously.

INTERNATIONAL CLUB, under the capable leadership of Miss Selma Brecklin, proved a big success in its second year on campus. With arrangements made by Miss Brecklin, the members ate at the International House, a restaurant with food from all around the world. With many other activities planned, the International Club shows signs of becoming one of the most active clubs at BP.

Thespians

WITH the help of Drama Club advisor, Mr. Edward Abry, the drama program was summoned from it's mediocre state this year and was transformed into one of the best and most active programs on campus. The Thespians kept their audiences captivated with such emotion packed performances as "Twelve Angry Jurors"' and "The Miracle Worker." Their activities also included the performances of a Christmas Play, selling tickets to television shows and attending Shakespearean dramas.

Humanities

REPRESENTING BPHS nationally on the "New Society" television show and traveling to see the "Lion in Winter" were just two activities which the members of Baldwin Park's experimental honor class, Humanities, enjoyed this year.

Boasting members from the top fifteen percent of the Braves academic list, Humanities was the scene of learning about man and his culture. Mrs. Ellen Genda, advisor, helped the students to keep the atmosphere far from dull, as she showed them how learning can even be fun.

Girls' Athletic Association

LED by President, Maria Potain, the forty-one members of GAA have had one of their most successful years. Working hard almost every day, they captured second place in both basketball and volleyball in league competition.

GAA was also one of the most active organizations on campus. They sponsored such money-making activities as a girls' gym clothes washing service, garter sales, and a victory sock-hop. But it wasn't all work and no play, as the girls took time out for such recreational activities as a skating party and a trip to Snow Valley.

GAA MEMBERS are at it again

THE YEAR OF THE BRAVES really came to life in 1968-69. The Braves were the Montview Co-champs in football, tri-champs in wrestling (qualifying three grapplers for CIF finals) and have an excellent chance to win league titles in baseball, track, and gymnastics. The following pages tell the story of those winning teams and also of some losing teams. But whether winning or losing the Baldwin Park Brave Athletes performed well and with dignity, and provided NEVER A DULL MOMENT...

'They Led Us to Victory'

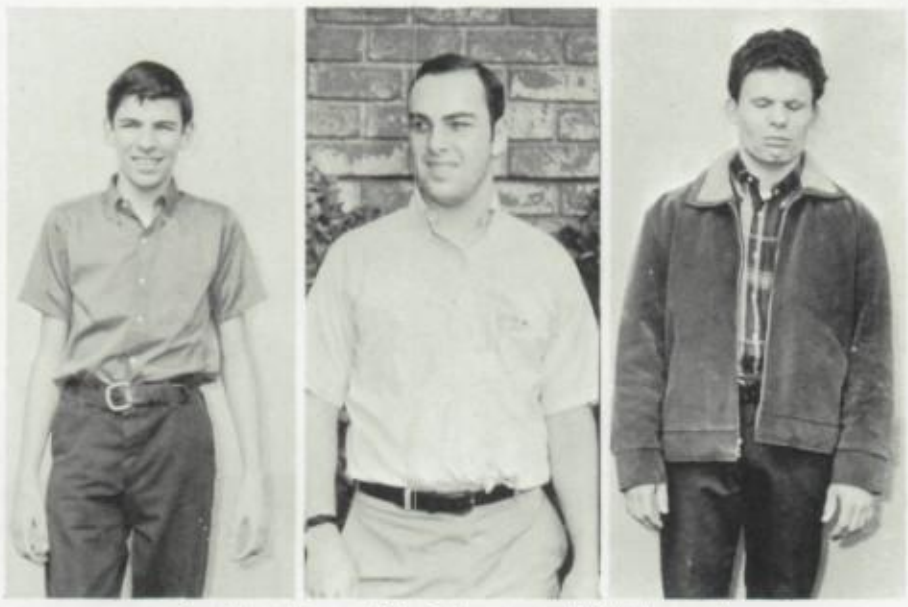
VARSITY CHEERLEADERS sound the victory bell as Baldwin Park comes out on top again.

RALLY SIGNS like this helped the Braves win all season long. And the Braves **do** rule!

The Year Of The Braves

The "Year of the Braves" exploded with a bang. First came a hard fought victory over our cross town rivals, the Sierra Vista Dons, 19-2 with a last second touchdown by B.P. safety man Steve Locke. If the next victims, Wilson Wildcats, really hoped to challenge the Braves, they were badly mistaken. The game ended B.P.-40, W.-0 with a new C.I.F. rushing record of 373 yards set by B.P. running back Rod McNeill.

Going into the Montview opener with a perfect 2-0 record, the Braves traveled to Charter Oak, barely squeaking out a 14-12 win. Late in the fourth quarter, the Braves led 14-0, but icey interceptions set up the Lancers' touchdowns. Fortunately they couldn't make the PAT'S. The winning touchdown was scored on a fantastic 70 yard sprint by McNeill.



Fred Hutchinson, Bob Osborne, and Phil Howard

A silent moment before the game.

Against Azusa, it was the B.P. defense which powered past the Aztecs. Rod McNeill gained 232 yards, but suffered a knee injury. Brave quarterbacks Daryl Smith and Ray Shoemaker combined for over 100 yards passing.

The only league loss for Baldwin Park was at the hands of Nogales, 25-21. The Braves without Rod, led 21-0 at half-time on touchdown passes from Smith and Shoemaker to Jess Arellanez and Larry McLaughlin. David Morgan also scored for the Braves. The Nobles won the game on the passing of Joe Gomez and a last minute touchdown.

Edgewood fell to the Braves 35-19 as the Braves passing shown for the first time of the year. Larry McLaughlin scored twice and caught 4 passes for 104 yards. Daryl Smith led the passers with one touchdown toss and two touchdown runs.

The Braves posted their first homecoming win in ten years against Rowland. The Raiders, behind Dave Chapman's running had B.P. on the ropes until Rod McNeill and McLaughlin scored late touchdowns as B.P. triumphed 35-13.

Northview fell 47-19 as the Braves poured on their greatest offensive showing of the year. McNeill scored three and McLaughlin also got three touchdowns for Baldwin Park.

THE BALDWIN PARK BRAVES had one of the finest groups of personnel of any team anywhere. They were led by co-captain Rod McNeill and Larry McLaughlin, 2nd and 4th in the valley in scoring respectively, but no one will forget the interceptions made by Tom Mittelstaedt and Steve Locke, the superb passing by Daryl Smith and Ray Shoemaker, the excellent blocking by the line, or the 32 extra points off the toe of Doug Martin.

Still, a lot of the credit goes to the second and third teams. Besides backing up the starters during games, they worked hard scrimmaging with the starters and helped mold them into the precision team they were.

Nor should we forget that although the Braves offense was rated second in the valley, it was the B.P. defense which was rated first.

The Braves will lose a lot of senior starters at graduation this year, but with 54 boys out this year, there will be 33 returning lettermen, and next year promises to be another great one for the Braves.

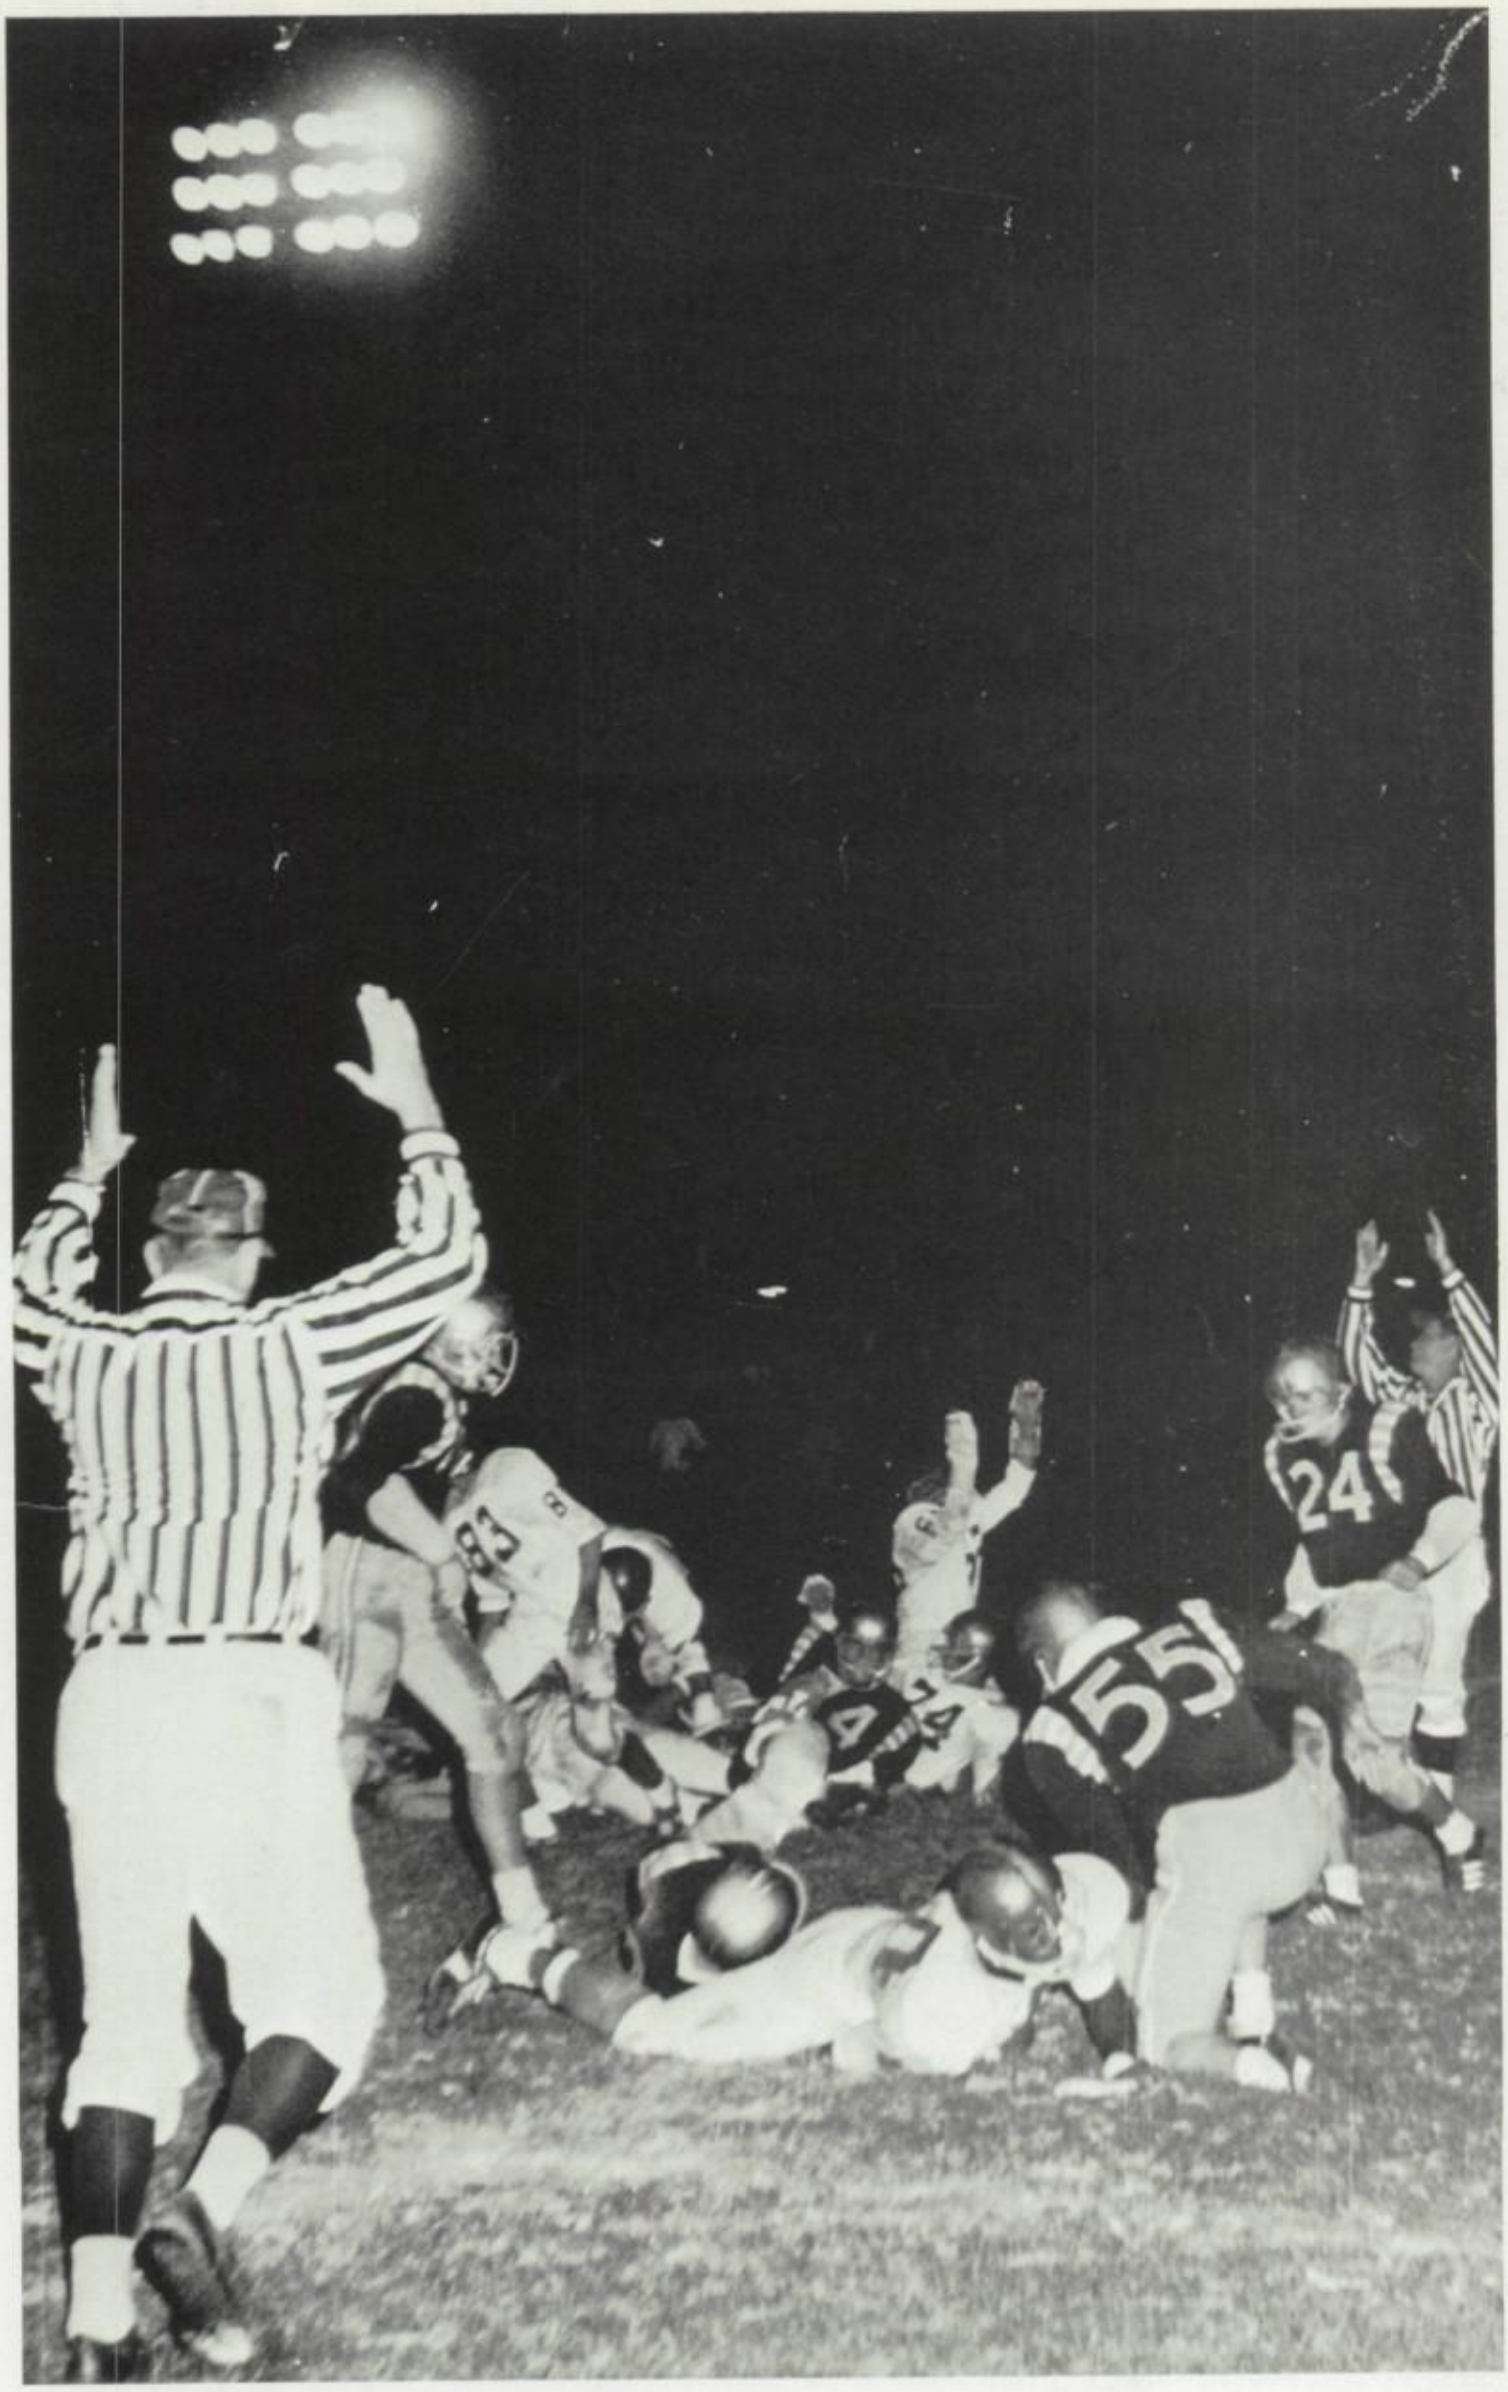
BALDWIN PARK'S Final Montview game was against the un-victorious Bassett Olympians. The result was a rain soaked 40-0 win for the Braves. McNeill scored a triplicate of touchdowns and ran through the Olympian defense at will.

The Braves lost an exciting CIF play-off game to Claremont 18-7 at Citrus Stadium. In the first half the Braves defense held the Wolfpack to but two first downs. The Braves scored on a 14 yard pass from Smith to McLaughlin. In the final half Claremont rallied behind a shotgun formation and the running of halfbacks Blane Wargust who scored one, and Craig Ducey who tallied twice.



IT'S ANOTHER TD for the fighting Braves as Rod McNeill rams it over near the end of the first half of 47-19 win over Northview.

THE BRAVES collectively and individually reaped many great awards for the 1968 season. As a team they were ranked 10th in the final 'AAA' CIF poll with an 8-1 season record. They were also co-Montview League champs with Azusa.

Rod McNeill was All-CIF, All-Valley and All-League at halfback. Larry McLaughlin and Fred McNeill also were on the All-San Gabriel Valley and All-League Teams. Ed Funkhouser, Keith Schlerf, Tommy Mittelstaedt and Steve Locke were accorded All-League honors.

Varsity Wrestlers Were Tri-Champs!

THE 1968-69 BRAVE wrestling Team set an all time record for Baldwin Park wrestling as they were Tri-Champs losing only once to Nogales. Their over all record was 13-1. The Brave wrestlers, starting out as a new program three years ago against more experienced opponents, really came into their own this year as they won the 32-Team Northview tournament and sent six grapplers to C.I.F. At Northview, Kim Johnson and Keith Schlerf each captured second place while team-mates Terry Albiso and Doug Martin won the Championship with Terry Albiso also capturing the coveted "most outstanding" wrestling award. Later at the Montview League the Braves placed 11 of the 13 men on their squad with Dan Leos, John Langley, Dwayne Wintrode, Mark Steele placing fourth. Ross Brunson placed third, and Evan Hanseth, Lewis Kingman, Doug Martin took second, and Kim Johnson, Terry Albiso, and Keith Schlerf won the championship. In what was a very difficult choice as there was very close competition, Keith Schlerf was Most Valuable, Doug Martin was Most Improved, and Evan Hanseth was Rookie of the Year. The Braves lose only three Seniors and Coach Curtis predicts another great year for 1969-70, assuming everyone is healthy, doesn't move, etc.

JV Wrestling

AS WITH the Braves varsity the J.V. Grapplers let no one stop them during the 1968-69 wrestling season as they compiled a 12-0 record and captured the coveted Montview League Championship. J.V. wrestling, having started 3 years ago at B.P. has compiled an enormous record of 37 wins and 2 losses.

There were many outstanding Brave performers on the J.V. level. Terry Martin was selected Rookie of the Year as he compiled a 13-1 record. Joe Ulrey was selected Most Valuable as he also compiled a 13-1 record. Bob Holquin was selected the most improved wrestler.

Carl DePalma, Mike Jones, Rick Brunson, Gene Snook, Greg Crowl, and Phil Howard all did outstanding jobs.

Many of this years J.V. Champs should be likely Varsity team members next year. Assuming the wrestling program continues to stir interest like it did this year the J.V. just might be champs again next year.

COACH GIL MENDOZA instructs a group of outstanding J.V. wrestlers in the firemans carry.

ROD McNEILL leaps up for two points in the Braves romp over the Edgewood Trojans.

Varsity Basketball

THE Baldwin Park Braves Basketball squad, with six returning lettermen, had one of their most "successful" seasons in BPHS basketball history.

The Braves record was 6-15, 3-9 league, hardly a record to get joyful about, but still an improvement, and enough to fill BP supporters with hope for the future.

Included in the Braves 3-9 league record, were close losses, 73-71 to league champion Nogales and 83-80, to runner-up Bassett.

Rod McNeill and Jerry Smith led the scoring, both averaging 13 points, overall. Junior Fred McNeill averaged 10.1 points per game and Tony Anderson and Gale Hillis, "Rookie of the Year," also supplied much scoring punch to bolster the hoopsters. With the addition of Jay Hattabaugh and a strong JV team, the Braves should be formidable next year.

Rod McNeill was accorded 2nd team All-Montview League mostly for his sensational rebounding, 14.3 a game.

Team statistic-wise, the Braves' percentage from the field was 42%, with 55% at the free throw.

The season wasn't actually successful in terms of games won and games lost, however, with the nucleus of Fred McNeill, Tony Anderson, and Gale Hillis, plus the addition of a successful JV team, the Braves' future in basketball seems secure.

Varsity Baseball

WITH NINE returning lettermen, Ed Funkhouser, Steve Locke, Larry McLaughlin, Tom Mittelstaedt, Walter Phillips, Ray Shoemaker, and Daryl Smith, this year's Varsity Baseball pre-seasonal outlook appeared bright.

Behind last years outstanding performances of All Montview League Second team members, Ray Shoemaker, who led the Braves in the pitching and batting department, and top base thief Larry McLaughlin, BPHS fans anticipated an exciting season. Also adding to the hopes of a winning year was Ed Funkhouser, last year's number one RBI man.

Baldwin Park opened the year with a 6-0 victory over crosstown rival Sierra Vista with Ray Shoemaker pitching a three hit shut out and striking out ten. Larry McLaughlin got three hits, including a triple.

Against Monrovia, pitchers Paul Schlerf and Larry Leos teamed up for the Braves' second victory. Daryl Smith won BP's third game against Wilson striking out ten batters. In the same game Steve Locke went three for three including a double, Larry Shane had three RBI's while defensively, Tom Mittelstaedt did an outstanding job.

POSTING EARLY victories against Sierra Vista and Azusa and with seven returning lettermen, the outlook of the highly spirited Varsity Tennis Team seemed very promising. Among the returning lettermen were Alfonso Contreras, team captain and number one player for the past two years, Mike Fitzgerald, Ramero Contreras, Steve Krigbaum, and Craig Saxton. Last year's recipients of the Rookie Award and Most Improved Player, Frank Gonzales and Chuck Leininger respectively, were also included in the Varsity ranks. All the players had previous experience and knew what to expect which gave promise of a strong finish in the new Montview League.

Showing a great deal of potential and future promise were some of the fifteen freshmen who tried to make the squad.

Coach Wally Curtis, with assistance from Mr. Walter Carson made a strong stand with the team against their opponents.

THE 1969 Varsity spikers had their troubles getting untracked in the early part of the season. Having dropped a non-league meet to Royal Oak, and then losing their first two league tussles to Charter Oak and Azusa.

VARSITY TRACK COACHES: Tom Christopher and Ed Schnell.

However the Braves showed signs of getting up and moving onward to victory. Rod McNeill is getting back into his CIF form in the 180 low hurdles, the event in which he took 3rd in the CIF track finals in '68.

Bob Enriquez, CIF sprinter proved a ready man in the 440 yard dash, posting excellent times in the league meets of '68. Bob Brunson, a hard working trackster, flourishing this year to become the number one 800 yard dash man. Another outstanding man is Larry McLaughlin, who performed the 220 yard dash and high jump while doubling as a baseball and track man.

Varsity Juniors returning for next year are Elmer McDonald, 220 yard dash star man who posted a 10ft. 3in. in the 100 in the early part of the season, Fred McNeill, hurdler and 440 man, who is improving tremendously and promises to lead the league in hurdling by the spring of 1970.

Steve Ortiz, an outstanding mile runner was close contention for top miler in the Montview League this year while iron-lunged two miler Manuel Rocha will undoubtedly earn league honors.

Other promising great and fast improving Juniors are Russel Ruff, the Braves number one long jump ace and Dave Rodriquez, high hurdler.

On the lower levels there are many well talented tracksters. Some of them are Roy Perriman, Dale Sawyer, and Ted Yates.

Proud Gymnasts Win Montview Title

GYMNASTICS COACHES Horn and Tobes watch nervously as their gymnasts perform.

GYMNASTICS, a unique individual sport where often the competition is one's self, has long been the perennial champion in league play. Again the athletes of Baldwin Park bestowed that mark of distinction to the school. This year's team was supported by few seniors, but those few were an essential part of the team. They were Wendell Feinberg, a continual winner of the rope; Stuart Scott, in floor exercise; Dan Rhode in rings and parellel bars, and Co-Captain Rudy Ginez, high point man and leader of the squad.

1969 is a building year and with the continuing improvement of such performers as Bruce and Brian Comstock, Dave Feinberg, Bill Fox, Bob Calendrelli, Roger Sanchez, Tom Quenneville, Fritz Schroder and the all around performance of Co-Captain Steve Zamora, the CIF Championship in 1970 will once again belong to Baldwin Park.

This year's gymnasts opened their season with a boom. They won all the dual meets except for two, and did a tremendous job at the invitationals. "Our Brave Team" won the Montview League title, and once again brought home the league trophy. We can really be proud of our great gymnastic team, as they shout out, "This is the Year of the Braves!"

Sandy Beverley '69

FOUR YEARS AGO, a class of peppy, wide-eyed freshmen entered the halls of Baldwin Park High School. They were given two titles; one, of course, was the "class of '69"; and, the other, earned after they had proved their vitality, pep, and eagerness, was the "Spirit Class."

Four years pass quickly, or so it seems to a Senior watching the approach of graduation. Graduation means the end of the class as a class. It means saying good-bye to high school, teachers, friends, and for some, to school.

The four years that looked so long at the beginning of the freshman year are now soon to be over; four years of working together, yelling together, fighting and singing together. And now that it is almost over, they share the memories of a hard-working, fantastic class. For these times the Senior Class shared the honor and happiness of being the Class of '69, the Spirit Class.

DISNEYLAND! That was the goal of 1968-69 Senior Class Council. Early in the year they designated the site for the All Night Party at the magical kingdom. And their determination was rewarded.

To sponsor such events as this and the Senior excursion, the council presented a dance with music by the Drifters and put up three booths at Sierra Vista's carnival. Under the capable leadership of President Linda Mann, and advisor Mr. James McClung, the council worked hard to add to the fun of a fabulous Senior year.

BEST COMEDIANS, Judy Brang and John Zambetti, never miss an opportunity for some mischievous fun . . . Boy! Won't the Websters' man be surprised tomorrow morning!

PRESIDENT: Bob Smith

THE JUNIORS CLASS with the leadership of President Bob Smith and advisor Lawrence Wolfe accomplished much throughout the year. They sponsored many activities including a noon dance, bake sales, and a sock hop. The Juniors were, also, in charge of the football concession stand. To raise money for the Junior-Senior Prom, a concert starring the Buffalo Springfield was given.

Ready for their Senior year, the Juniors look forward to 1970 with eagerness.

JUNIOR CLASS OFFICERS: Debbie Shelby, Vice President; Debbie Woodham, Treasurer; Chris Knott, Secretary of Activities; Bob Smith, President; Kathy Benuska, Sgt. at Arms; Gail Klett, Secretary.

Marilyn,
I hope you are fine and you are enjoying your life. I'm glad I came to school because I met these people like you and Rueben, and that I have been able to know that everything works out right for me and Rueben, and pray that skill be your good friend around together this summer. I hope you have fun and we work out, so bad that I could for us to be good and stay as bitchen as you are right now, because you are really cool. And you'll really make it.

Love & Peace

MR. ROBERT MORTON Coordinating Principal

MRS. JEAN CUMISKEY

MR. ROBERT MORTON, assuming the post of Coordinating principal, this year, proved to be a vital cog in making 1968-69 the year of the Braves.

EVER WATCHFUL of the students needs and welfare are many parent and teacher organizations. Working behind the scenes, the Sports Club, Squaws, PTA, and Band Boosters, have made the athletic victories, successful parades, and staying in school a lot easier. To finance their work they have been very active in many money making projects. They have ranged from a fireworks booth, rummage sales, cupcakes sales, and even bringing the Harlem Clowns to BPHS. Because of their outstanding service, these unselfish parents and teachers have been a key factor in helping to create NEVER A DULL MOMENT.

AS THIS year comes to a close, we feel the need to express our final sentiments to those who have made this very special and colorful book possible. For their outstanding service, time, cooperation, and patience, our deepest appreciation goes to Mr. and Mrs. Louis Kundrath; to Mr. Bill Hubbell of Taylor Publishing Company our sincere gratitude for taking the time to visit our staff; to a very special person, Richard Mendoza, a heartfelt thanks for his unequaled work and generosity; and to Mr. Patrick Shields, our advisor, a special thanks for his countless hours of work as a staff member.

And now to you, the students of Baldwin Park High School, we present the 1968-1969 Sagittar. Throughout it we have pictured you laughing, crying, dreaming, cheering, and just being yourselves. We find more and more of you within these pages playing on our athletic fields, marching with our band and drill team, acting on our stage, and participating in our club activities. Creating **NEVER A DULL MOMENT** during this "Year of the Braves," you have filled our lives with many memories. To help keep these precious moments of our days at ol' BP from fading into the darkness of oblivion, we have brought into being the 1968-1969 Sagittar!
